At the Shrewsbury Arms we love using fresh local ingredients where possible. We make everything on our menu except for our bread and ice cream. If you have an allergy or food intolerance, please inform a team member and they will be happy to advise you. Unfortunately, we cannot guarantee any of our dishes will be nut free or gluten free as we do use nuts and flour in the kitchen.

We do try and remove all bones from fish products but sometimes the odd one slips through the net.
